Re: *United States v. Jamar Baker*, 14 Cr. 512 (PAE)

Dear Judge Engelmayer:

The parties jointly write to request an adjournment of the May 11, 2022 violation of supervised release conference in the above-captioned matter. As the Court is aware, Mr. Baker has been charged in a separate case before Judge Kaplan, 22 Cr. 200, with the same conduct underlying the alleged violation. During Mr. Baker's initial appearance before Judge Kaplan, the Court scheduled a status conference for June 14—with any defense motions due to be fully briefed by June 10—and set a September 13 trial date.

Due to the overlap between the instant proceeding and the case before Judge Kaplan, the parties respectfully request that the Court adjourn the May 11 conference and set a control date in late June or early July. The parties will submit another status letter by June 17.

Respectfully submitted,

DAMIAN WILLIAMS
United States Attorney

GRANTED. The conference is adjourned to June 30, 2022 at 2:00 p.m.
The Clerk of Court is requested to terminate the motion at Dkt. No. 82.

SO ORDERED.
